

The Viking View “from the middle” Grades 6, 7, and 8

Vikings Offensive Line

October 2021

Marking period one is almost in the books. The last day of the marking period is **Friday, October 8th** so get those assignments turned in!

IF IT'S FALL, IT'S VIKING FOOTBALL!

Our Junior High team has played All-Saints, Genesee, and Sacred Heart. We haven't won but have improved every game and get to play our opponents one more time. We have a young team with many 6th graders who have stepped up in leadership roles. A few of our 8th graders are playing football for the first since switching from soccer and have been our biggest playmakers. We're getting them prepped for varsity next season. There is still plenty of good football to watch this season! -Coach Garwick

English Notes

All English classes recently completed a writing unit. English 8 worked on their poetic skills by writing narrative poetry. English 7 worked on their memoirs, while English 6/7 and English 6 wrote personal narratives.

Next up, we'll be doing some independent reading with books the students choose. We'll form some discussion groups where we can analyze the authors' craft. Then we'll write some book reviews using what we've learned.

Our JH Volleyball team has been showing off their talents on the court. Sixth and seventh grade girls make up the A and B team. Often, their opponents are 8th graders. These teams have shown lots of growth and make us proud! Way to go Vikings!

In addition, our talented 8th grade girls are playing on the JV team. Come out and watch them play!

Our Junior High took part in Homecoming activities this past week. In addition to decorating our hall, we participated in several dress up days.

- On Monday, we enjoyed wearing our pajamas to school.

- On Tuesday, it was college day. Lots of Michigan and Michigan State!

- On Wednesday, it was dress like your idol day. (Mrs. Morley was Einstein)!

- Thursday we dress in the theme of our hall. Ours was the 4th of July so we had lots of red, white, and blue; showing our patriotic pride!

- Friday: Green and White Day!
